# GREAT STRIKE.

The Illinois Central Road Now Tied Up.

No Understanding.

What the Strikers Demand - The Effects that Will Be Surely to Follow the Tie Up.

CHICAGO, June 24. - A thousand freight conductors, brakemen and switch-

The general superintendent, however, refused to start the train until the passenger coaches were attached, and the strikers warned him that he detained the mail and ex-press at the company's risk. General Manager Beck and General Superin-tendent Sullivan had a conference with the strikers this afternoon. The men stated their determination not to return to work until Superintendent Russell is

dismissed.

The only conclusion arrived at was that the company would resist the men's course. The tie-up will cause serious trouble, not only locally, but throughout a large section of country both west and south. The suburban traffic of the road is enormous, being the largest in the United States. Trains run in and out of the city every few minutes from 5 o'clock in the morning until midnight, and are crowded. All the people, many of whom live beyond the cable car limits, are now thrown upon their own resources for transportation, but it is not this that will trouble the commercial world. To stop the freight traffic of the Illinois Central means to prevent thousands of Fifth race, three-fourths of a mile, people in northern Iowa, southern Illinois, Kentucky, Tennessee, Mississippi and Louisiana from getting produce to

The Marlow Will Case. The hearing in probate of the will of George Marlow, deceased, came up yes-

terday before Judge Baxter. The main court-room was given up in the afternoon to the Probate Court, and the benches were filled by an inquisitive crowd drawn thither to he details of this somewhat celebrated case. Drs. McIntyre, Hughes, Risson and Helm were called on behalf of contestant to testify to the probability of a child being born to the widow.

John Hickey, one of the witnesses of the will, testified to its execution February 21, 1887, and to the fact been exerted upon deceased at the

CINCINATI, June 24.—Twelve hundred people attended the League game this afternoon. The visitors won the contest of the contest when that partnership ceased it was supposed by George Marlow that his brother had destroyed both documents; that George Marlow had subsequently married and had said that he had no will in existence.

## The case is continued today.

CONDENSED TELEGRAMS. The Mexican government denies the story from London that Mexico has concluded a railroad subvention loan with Anglo-American bankers. At Philadelphia J. Ferriar, a Spaniard,

has been arrested on a dispatch from San Francisco, charging forgery. He was also wanted at St. Louis on the same charge. Unless trees are sprayed, Oregon's

apple crop is gone. Four pests, codlin moth, black spot, woolly and green aphis are at work in the Willamette while attempting to tap the wires of the Western Union Telegraph Com-

pany, in order to get racing news, were today charged with felony. O. B. Northrup, a San Diego county rancher, has been sentenced to three months' in county jail and to pay a fine of \$250 for stealing chickens. Some time ago he received a charge of shot from a spring gun set in his neighbor's chicken
